

What is Area 51?

Area 51 is a top secret United States Air Force base in the Nevada desert. It is believed that the U.S. military tests and develops new aircraft and weapons there. Area 51 is so secret it doesn't even appear on maps! The area is protected by radar stations, and visitors who don't belong there are quickly sent away!

Some people claim to have seen UFOs coming from Area 51. UFO sightings have come mostly in the form of extremely fast ships or extreme flashes of light. Some of the testing at Area 51 may have created cool lights in the sky and other events that have led to the UFO theories.

Area 51 is also known as Dreamland, Watertown Strip, Paradise Ranch, Groom Lake, S-4, or Papoose Lake.
