## The Mystery in the Twin Cities

# Bring It To Life!

1. Pretend you have a twin brother or sister. Draw a picture of your twin.
2. Use ice cubes to build your own ice castle. Dribble water between the blocks and place your creation in the freezer.
3. The characters in this book drank hot chocolate to get warm. Have each member of your book club make some hot chocolate to share. Vote on the yummiest recipe!
4. Do your own research on the Twin Cities. Plan a pretend vacation to the region. Where will you go? What will you do? Make a poster describing your trip.
5. Cut a hole in a box. Tie a magnet to a string. Place small metal objects in the box and go "ice fishing" with the magnet.
