

ALL-IN-ONE!™

Golden Age of Piracy

Elementary School Teacher Instructions and Activity

Students will draw a pirate treasure map on a reproducible sheet.

Supplies needed: pencil, crayons or colored pencils, reproducible sheet, and great imaginations!

Directions:

1. Pass out the reproducible sheet.
2. Direct students to draw a pirate treasure map on the sheet. Urge them to create interesting and original names for islands, bodies of water, swamps, etc. Be sure they mark the location of their treasure with an "X." Be sure they put a compass marked N, S, E, W on the map.
3. Direct students to name their maps: Bryan's Booty! Lauren's Loot!
4. Ask students to present their treasure maps to the class and then hang them on the bulletin board.
