EMPOWERING TEACHERS | ENGAGING STUDENTS

2024 — 2025

100% ALIGNED | 100% OF THE TIME
To the Next Generation Sunshine State Standards for Social Studies

GALLOPADE CURRICULUM

WE MAKE TEACHING EASIER

Gallopade Curriculum is a **comprehensive** and **flexible** Social Studies curriculum designed to engage students in a robust and interactive learning experience that is **100% aligned with the Next Generation Sunshine State Standards for Social Studies**.

For more than 45 years, Gallopade has partnered with educators to create easy-to-use resources that are effective and proven to ensure your students learn, retain information, and develop the **critical thinking skills** required for Social Studies success.

Gallopade combines print and digital resources to create a dynamic learning program to empower teachers to meet the needs of all learners and teach, test, and measure for Social Studies standards mastery.

GALLOPADE'S PROVEN APPROACH

Gallopade Curriculum uses evidence-based theories to achieve student success. Proven learning strategies used throughout the curriculum include chunking content into our **“small bites”** approach, engaging reinforcement activities throughout the text that support active learning, and the blending of Social Studies and ELA to build literacy skills.

Gallopade pairs these proven methods (and more!) with abundant resources and activities that support an **engaging and interactive learning experience** with the ability to **adjust** and **differentiate** for the flexibility teachers need in the classroom.

As students work through the lessons and activities, they engage in critical thinking exercises relevant to the content, gaining a deeper comprehension of newly learned content, concepts, and skills.

PUTTING IT TOGETHER

Watch for these tips and benefits for all of your Gallopade Curriculum resources.

For Teachers For Students For FLORIDA

FOR EVERY STUDENT | Gallopade's Curriculum is purposefully designed and prepared with consideration for all of Florida's varied learners and provides differentiation strategies and lessons, supporting resources for remediation, advanced learners, English Language Learners (ELL), and more.

STANDARDS ALIGNED | Gallopade Curriculum is written to align completely with the latest Florida standards.

EVIDENCE-BASED | Gallopade's proven methods of instruction help students of all learning styles understand and retain essential Social Studies content and skills.

FLEXIBLE | Gallopade Curriculum provides a customizable, hybrid approach that seamlessly integrates print and digital content, tools, and resources, catering to the diverse needs of all learners.

ORGANIZED | Gallopade Curriculum content is organized by units and chapters, allowing teachers to easily locate and assign content, activities, assessments, and grade assignments.

HIGH QUALITY | Gallopade partners with educators and experts in the creation of Gallopade Curriculum to ensure it meets the criteria of HQIM (High-Quality Instructional Materials), including full alignment to state standards, supports all learners, provides frequent opportunities to monitor progress, teacher support, and more!

TRUSTED | Our partners love our program. Teachers say that Gallopade Curriculum makes their jobs easier, and they don't require additional resources to cover Social Studies standards.

Gallopade Curriculum is approved for grades K-5, World History, Civics and Government, and U.S. History for the K-12 Social Studies Instructional Materials Adoption List.

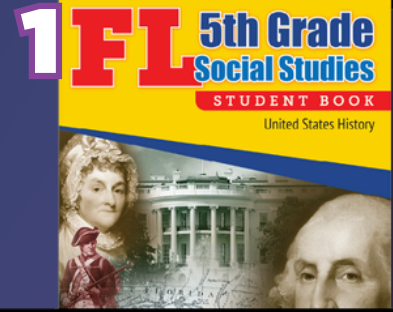

Gallopade Curriculum FOR FLORIDA

Students and educators need a solution that is effective, easy to use, and flexible.

Together, all elements of Gallopade's curriculum program allow you to guide students through a customized learning experience that positively impacts their mastery of the standards.

Teachers and students receive print and digital access to a comprehensive curriculum that is 100% aligned with the **Next Generation Sunshine State Standards for Social Studies**.

K-8 | DIGITAL

GO! - Gallopade Online is a versatile, digital learning platform designed specifically for educators and students with a user-friendly interface that makes teaching a breeze.

This interactive system streamlines your planning, assigning, testing, grading, and reporting tasks and keeps your students engaged and motivated throughout the year. GO! seamlessly incorporates digital instruction into your lessons and provides a complete curriculum for districts needing a fully online solution.

ADMINISTRATORS will find helpful reports that allow them to monitor district, school, and class performance and impersonate teachers to provide support, guidance, and access to full course content.

STUDENTS can access an eBook copy of their textbook from anywhere with internet access, ensuring convenience and accessibility. Students engage with lessons using a variety of tools and activities, which can be assigned and completed online or printed for use in class or as homework.

TEACHERS can use GO! to present content, make assignments, and review and grade students' work. Using digital assignments provides real-time data used to inform instruction at the class and individual student levels.

TEACHER TESTIMONIAL

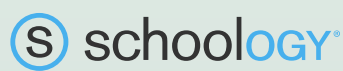

"Gallopade has been an excellent learning tool for my students. The platform is very user-friendly and interactive, and my students and I enjoy delving into the content presented in each unit."

— Tiffany K. - 5th Grade Social Studies and Science Teacher

Registration Number:
IMSD2C6C25C26C27ge2024W1

GO! IS INTEGRATED WITH:

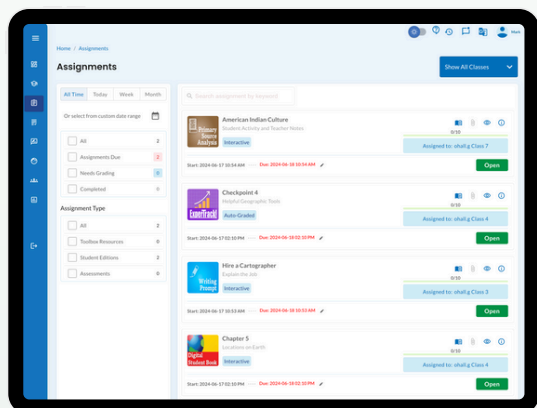

CUSTOMIZABLE ASSIGNMENTS

Assign by class or individual student. Additional features allow teachers to:

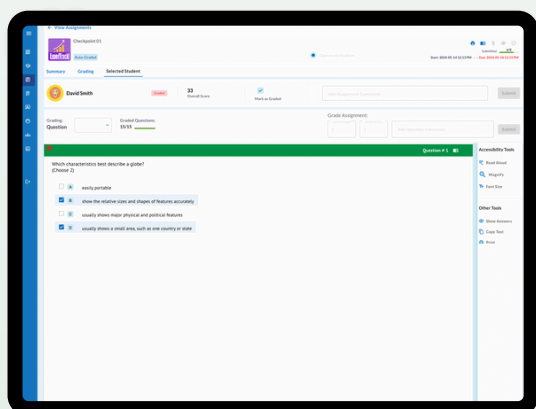

- Randomize Question Order
- Randomize Answer Choices
- Display Grades to Students
- Add Instructions
- Choose Various Review Options
- Manage Assignment Settings and Scoring
- Allow Late Submissions

EASY GRADING PROCESS

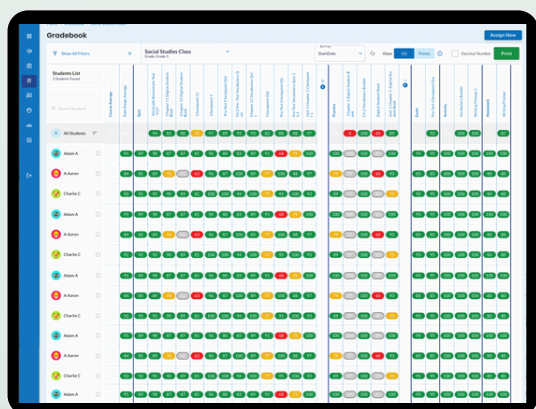

GO! makes the grading process quick and easy while providing data for the entire assignment or for individual students and allows teachers to provide feedback to students as well.

Teachers have full access to every page of a student's submission, including all answers and points scored. Teachers can view assignment status, final scores, item analysis, and more!

GRADEBOOK

The GO! **Gradebook** lets teachers easily access and view assignment data for each class. The Gradebook also calculates averages for the class, categories, students, and assignments. Teachers can edit, grade, review, unsubmit, and create new assessment assignments using the Gradebook.

PUTTING IT TOGETHER

GO! makes planning easy. Teachers can browse resources organized by unit and chapter and easily choose which content and activities to assign.

FEATURES & FUNCTIONS

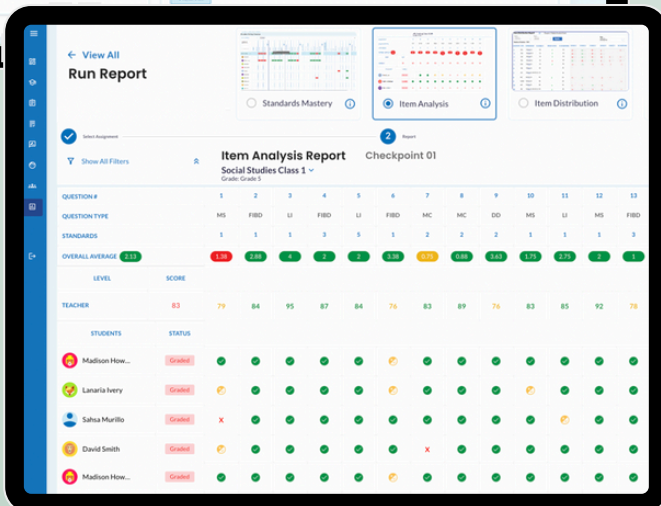

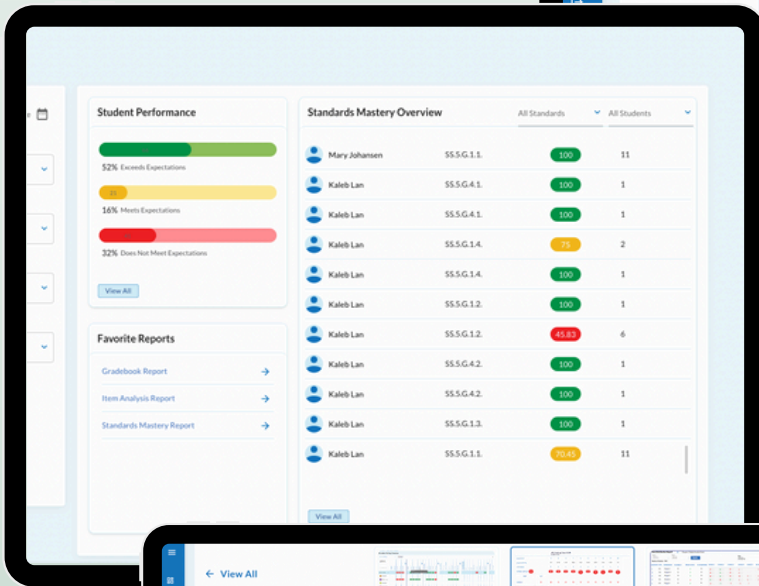

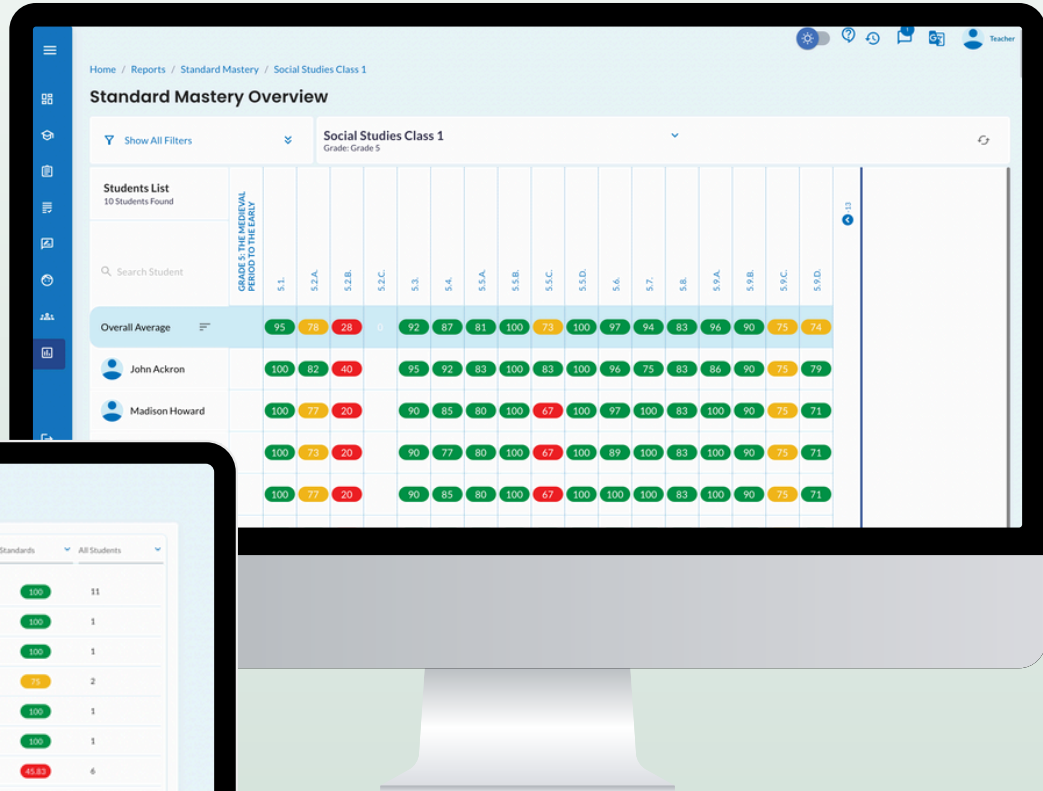

PERFORMANCE & REPORTING

GO!'s real-time data allows teachers to track and analyze students' performances instantly. GO! provides comprehensive reports with informative insights on an individual student's progress that can highlight areas for improvement.

These reports empower teachers to make informed decisions, tailor their instructional strategies, and provide personalized support to enhance student learning in the classroom.

REPORTS INCLUDE:

- Standards Mastery Overview
- Gradebook Report
- Item Distribution Report
- Item Analysis
- User Usage

PUTTING IT TOGETHER

Administrators can view the Gradebook for each class in their school or district.

Admin Usage Widget provides administrators with a snapshot of usage data.

EXPERTTRACK

K-8 | DIGITAL

ExperTrack includes pre-built, auto-graded assessments to measure students' learning performance throughout the year.

Checkpoints improve learning outcomes by using standards-based questions across all Depth of Knowledge (DOK) levels to identify students' comprehension of key content.

Checkpoints can be reassigned to all or individual students to provide them with an opportunity to demonstrate improvements in mastery and comprehension.

Teachers can correct misconceptions, provide remediation, and reinforce learning by projecting questions and discussing them with their class or small groups as needed.

PUTTING IT TOGETHER

Test & Assess

With ExperTrack, teachers can review core content and assess skills using the pre-built, auto-graded assessments for each chapter or create their own assessments using Gallopade's Item Bank and automatically send your data to reports.

MULTIPLE QUESTION TYPES AT VARYING DEPTH OF KNOWLEDGE LEVELS, INCLUDING:

- Multiple Choice
- Order of Events
- Categorization
- Map Skills
- Drag and Drop

Checkpoint 08
Question # 1

Benjamin Franklin drew this political cartoon during the Albany Congress. What do you think the cartoon is meant to show?

JOIN, or DIE.

Checkpoint 10
Question # 1

Label each ocean.

Checkpoint 13
Question # 1

Identify the countries that made contributions to the outcome of the American Revolution. Place each country in the correct box to complete the table.

Country	Contributions
France	This country provided supplies, troops, and a navy to support the American colonists beginning in 1778.
Spain	Soldiers from this Caribbean country were recruited to fight with the American colonists, and many fought at the Siege of Savannah.
Prussia	This country officially provided troops, supplies, and a navy to support the American colonists beginning in 1779 but provided some unofficial support earlier.

Pre-built, auto-graded **Benchmark, Checkpoint,** and **End-Of-Year** assessments measure Formative and Summative progress and provide real-time results data to inform instruction.

Measure and document students' annual progress and improvement.

Evaluate understanding and comprehension after each chapter or unit.

Ensure cumulative understanding of content and skills learned throughout the school year.

ExperTrack's Grading & Reporting features make documenting your students' progress throughout the year easy and organized!

Teachers have access to an extensive, standards-aligned **Item Bank** of questions to create customized assessments. They can easily assign, grade, and track the progress of custom assessments and share them with other teachers.

Create your own questions using six different types: Multiple Choice, Multiple Select, Sequencing, Open Response, Spelling, and Drawing. Questions can include various features, such as student hints and images, and be aligned to standards, course units, and chapters.

Customize pre-built assessments from the grade-level course by creating a copy and editing by adding or removing questions. Or combine two or more assessments to create an assessment that crosses multiple chapters creating Unit Tests or Semester Benchmarks.

Create custom assessments by adding pre-built questions from the Gallopade Item Bank and/or custom-created questions. Custom assessments make great Exit Tickets, Quizzes, Unit Tests, and more!

Share custom-created assessments, questions, and resources with other teachers at your school by creating a Content Collection and assigning members the right to read, publish, or edit.
