

# Online Book Club

## The Mystery of the Lost Colony

# Bring It To Life!

1. Create a crossword puzzle! Ask for a volunteer who is willing to make a crossword puzzle using names of places in the book, like Outer Banks, Rodanthe, Manteo, and Roanoke Island. Pass out the puzzle to book club members and see who finishes (with all the words correct!) first. Give prizes for first, second, and third place.
2. Map it out! Bring in a large map of the United States. Find your town and state. Find Manteo, North Carolina. List all the states you would have to travel through to get from your home state to North Carolina. If you have a mileage key on your map, figure out how many miles you would have to travel!
3. Find out about the wild horses that roam North Carolina's Outer Banks. How did they get there? Where do they roam? What do they look like? Could you see them if you visited the Outer Banks? Make a poster presenting facts and pictures.
4. Do you like seafood? Celebrate the Outer Banks and ask some parents to help you make a few seafood dishes for your book club. You might want to serve shrimp cocktail, some juicy crabmeat, tuna casserole, and maybe some fish sticks! Don't forget the cocktail sauce, and some refreshing lemonade to drink!
