The Mystery at Yellowstone National Park

Bring It To Life!

1. Chart a Course! Go online and get a map of Yellowstone National Park. Select someone to draw a poster board-sized map of the area. Have each member choose a place they want to see. Collect pictures and a description of each place and plan a trip and paste them to the map. Give each member a turn to describe what their place looks like using the five senses (sight, sound, touch, taste, and smell). Be sure to include what kind of natural wonders and wildlife might be seen there. If there are any special tips for staying safe in that area.
2. Write down the names of all of the characters in the mystery on slips of paper. Fold the slips. Ask each book member to draw a slip of paper. Each member should then answer the following questions as if they were the character they drew. What part of the story is your favorite and why? What makes you so important to the story?
3. Make an animal exhibit. Brainstorm a list of animals that you might find in Yellowstone. Make a miniature model of a place in Yellowstone and place these animals in it.
4. Brainstorm ideas about what makes Yellowstone such a wonderful place to vacation. Have the members of the book club split into teams and create video commercials to get people to come to Yellowstone.
