Unlike most Americans at that time, Susan's father believed women should get as much education as they wanted. He added a classroom to his house and hired a teacher for the children.

Circle the things that were a part of Susan's life as a child.

teacher education games toys computers

Susan B. Anthony finished her schooling at age 16. Teaching was one of the few jobs a woman could have at that time. So, Susan became a teacher.

When Susan complained because she was paid less than a male teacher, she was fired. Women faced many obstacles in that time in history.

Write T for True and F for False. Then correct any false statements to make them true.

I.	Susan's tather believed that women should be educated.
2.	Susan's father loved for Susan to play with games and toys.
3.	When Susan complained because she was paid less than a male teacher, she got a raise.
4.	Women have more job choices today than in the past.
