

## MAP ACTIVITY

# Allied and Central Powers

Analyze the map and answer the questions.

### 1916 European Military Alliances

1. A. Use the map key to find the Allied and Central Powers.  
B. Make a list of Allied Powers, Central Powers, and neutral countries.
2. Using the map, explain how geography affects country alliances. What other factors might affect country alliances?
3. Explain why naval warfare was an important part of WWI.
4. The Allied Powers take up more space on the map. Do you think the size of a country helps win a war? In what ways can size be an advantage? In what ways can size be a disadvantage?
