

Kindergarten ESSENTIALS

for Social Studies

REPRODUCIBLE!

Cardinal Directions

Cardinal directions are the directions north, south, east, and west.

A **compass rose** is a symbol that shows cardinal directions on a map.

Label the compass rose with cardinal directions:

- Write **N** for north in the box on the top of the compass rose.
- Write **S** for south in the box on the bottom of the compass rose.
- Write **E** for east in the box on the right of the compass rose.
- Write **W** for west in the box on the left of the compass rose.

LAND AND WATER

Maps and globes show **land features**.

Maps and globes show **water features**.

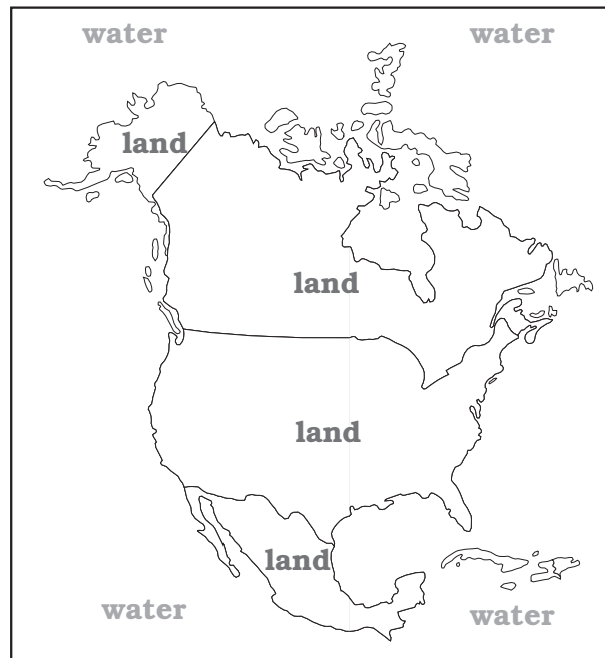

They show land and water in different colors.

Water is usually blue on maps and globes.

Land is usually green on maps and globes.

Color the land green on the map and globe.

Color the water blue on the map and globe.
