## The Earthshaking Earthquake Mystery

### Talk About It!

1. In the motel room, Nick and Curie were both scared but had to be strong and calm for the sake of the other. When was a time you were scared but had to be really brave?
2. What are several things you can do to prepare for an earthquake?
3. Why do you think Clem told the men in the black sedan that his station was out of gas?
4. Why do you think more earthquakes happen in the western parts of the country?
5. Why would someone want to steal a scientist's invention?
6. What's the scariest weather event you have ever experienced?
7. Think about retrofitting buildings after an earthquake. What do you think would be the strongest design to withstand natural disasters?
8. Do you think an invention that can predict earthquakes like the one Artemis Masters hoped to create is a possibility?
9. Who was your favorite character in the book?  
Why did you like that person?
