The Behemoth Blizzard Mystery

TALK ABOUT IT!

1. Have you ever seen snow? If so, what did you do to enjoy it? If not, do you think you'd like to see snow someday?
2. Curie loved to have cider when she came in from the snow. What is your favorite thing to do in the winter to keep warm?
3. What do you think would be more fun—solving a mystery or riding a snowmobile? Why?
4. If you could have a secret room in your house, where would it be? How would you get to it?
5. Poor Artemis was really sick! Can you think of a time when being ill kept you from doing something really fun? What did you do to get better?
6. The O'Malleys were not exactly Irish. What about your family history? What country or countries are you or your ancestors from?
7. What fun things can you think of to do if you didn't have a TV or a computer?
8. What do you think would be scarier—being chased or being stuck in a blizzard?
9. Artemis is proud of his intelligence and his reputation. What are your strengths?
10. Nick and Curie used the electric pole as a landmark to know they were nearing the house. What landmarks do you notice as you're getting close to your house or school?
