## The Ferocious Forest Fire Mystery

### Bring It To Life!

1. Write a fun poem or even a rap song about fire safety. Include common things like don't play with matches, put out a campfire completely, and have an escape route in your house in case of fire. Research other fire safety tips, too. Share your poem or song with other club members. Vote on your favorite!
2. Smokey the Bear is a very popular mascot for teaching about fire safety. First, look up the definition for "mascot." Then, write a story about spending a day with Smokey in Yellowstone National Park! Where would you go? What would you eat? Who would you talk to?
3. Horses LOVE sugar cubes! You can have fun with them, too! Get a box of sugar cubes and some glue and construct your own creation. Your book club group can make a whole town out of sugar! Sweeeeeeet!
4. A Yin Yang is a symbol made up of two pieces to make a circle. The two pieces fit perfectly to show unity. You could say that a Yin Yang looks like a little puzzle. Glue colorful construction paper to cardboard and cut it into several pieces. Make your own puzzles and trade with your friends to see who can figure them out!
