## The Mystery at Jamestown

### Bring It To Life!

1. Color the Jamestown mural, if you got this in your Jamestown Mystery Set. Otherwise, get a large piece of kraft paper and draw a mural of Jamestown with the three ships, the Powhatan Indian village, Archaearium, and more.
2. Make fried hominy! Buy canned hominy in the grocery store. You can coat it in corn meal if you wish. Fry it in a frying pan in a little butter until golden brown. Serve warm with some wildwood honey!
3. Write a play based on this mystery! There are many characters in the book you can play. Select certain dialogue to "speak." make simple sets and props. Make simple costumes, even if that is just hats and other props. Perform your play for another class, on parent night, or for the school!
4. Research Native American Indian games such as "Kick Stick," "Guard the Chief," and "Rattler" and try playing them yourselves!
5. Write a story about what could have happened if the Jamestown colony had failed...what would have happened to "America?"
