## The Mystery at Plymouth Rock

### TALK ABOUT IT!

1. You're packing your bag to cross the Atlantic on the *Mayflower*. You have to pack lightly because there's not much room. What would you pack that you simply could not live without? What would you be willing to leave behind?
2. Would you have the courage to leave everyone and everything you know behind to travel to a strange new world? What would you miss the most?
3. If you were a Pilgrim meeting one of the native people for the first time, what would you like to ask them? Since you have different languages, how would you communicate?
4. Do you think you would like to visit Plymouth after reading this book? What would you like to see first? Why?
5. Research the chores a Pilgrim child might be expected to do. If you were a Pilgrim child, what would your least favorite chore be? What would your favorite chore be? Why?
6. Pretend you are a Native American seeing a Pilgrim for the first time. How would you describe the Pilgrim to your friends and family?
7. If you were a Pilgrim traveling on the *Mayflower*, how would you entertain yourself during the long voyage? Remember, there were no electronics in those days!
8. Do you believe in the Pukwudgie legend? Why or why not?
