The Las Vegas Mystery

Book Club Activities!

1. Use the Internet to research fun places in Las Vegas! Choose a book club member and plan a pretend trip to Las Vegas. Find the “perfect” hotel, choose that car that your family will rent, and choose at least three activities in Las Vegas! Make it fun—it’s your vacation!
2. Pick a famous celebrity, historical figure, or sports figure. Use books or the Internet to learn interesting things about that person’s life. Dress up and “impersonate” your choice at a book club meeting.
3. Grant and Christina had to figure out clues by looking at missing words or letters. Write familiar phrases and leave out one of the words. Ask book club members to figure out the missing word. Here’s an example:
“Twinkle, twinkle, little _____.”
4. Create a roller coaster! Divide into groups and gather art supplies like poster board, pencils, markers, crayons, and glitter. Design a roller coaster on your poster board. (If you really want to work hard, you could make a three-dimensional roller coaster out of popsicle sticks!) Make it fun! Make it flashy! Name it something fancy!
